VOTING AND QUORUM

The relevant provisions governing the convening and holding of the Meeting are set out in Schedule 5 to the Trust Deed, a copy of which is available for inspection as referred to above.

IMPORTANT: The Notes are currently represented by a Permanent Global Note, which is held by a sub-custodian for the Central Monetary Unit of the Hong Kong Monetary Authority (the CMU). Only persons shown in the records of the CMU as a holder of the Notes (a CMU Participant) may deliver Block Voting Instructions or be issued with a voting certificate or otherwise give voting instructions in accordance with the procedures described below. Each person (a beneficial owner) who is the beneficial owner of Notes held, directly or indirectly, in an account in the name of a CMU Participant acting on such beneficial owner's behalf will not be a Noteholder for the purposes of this notice. Accordingly, beneficial owners should arrange for the CMU Participant through which they hold their Notes to make arrangements on their behalf for the delivery of a Block Voting Instruction to the Information and Tabulation Agent for receipt by the Principal Paying Agent or the issue of a voting certificate or to otherwise give voting instructions.

1. Each CMU Participant who wishes to vote must:
 - (a) open a special voting account (the **Voting Account**) with the CMU to facilitate the voting process. The Voting Account number will be the CMU Participant's account number plus the digits "789" (i.e. xxxx789);
 - (b) upon completion of step (a) above, transfer the Notes held by such CMU Participant into the Voting Account, request the CMU to block the Notes and obtain from the CMU a reference number made up of fourteen characters (the **Blocking Reference Number**), which is for validation of voting instructions in respect of the Notes;
 - (c) once the Blocking Reference Number has been obtained, either:
 - (i) instruct the Principal Paying Agent to appoint a proxy to vote on its behalf at the Meeting (the **Block Voting Instruction**) by delivering a voting instruction form (the **Voting Instruction Form**) to the Information and Tabulation Agent (as agent of the Principal Paying Agent). This will require the CMU Participant to:
 - (A) complete a Voting Instruction Form;
 - (B) include the Blocking Reference Number; and
 - (C) deliver the completed Voting Instruction Form to the Information and Tabulation Agent (as agent of the Principal Paying Agent) by fax, email or hand delivery; or
 - (ii) request for a voting certificate (the **Voting Certificate Request**) to allow an individual to attend and vote in person at the Meeting. This will require the CMU Participant to:
 - (A) complete a Voting Instruction Form;
 - (B) include the Block Reference Number;
 - (C) provide the Information and Tabulation Agent (as agent of the Principal Paying Agent) with relevant identification details (name, Hong Kong ID number or passport details) of the attendee; and
 - (D) deliver the completed Voting Instruction Form to the Information and Tabulation Agent (as agent of the Principal Paying Agent) by fax, email or hand delivery,

before the Final Voting Deadline.

A CMU Participant who has made a Voting Certificate Request to attend and vote at the Meeting and any adjourned such Meeting in person must produce relevant identification details. Only those with identification (Hong Kong ID or passport) that matches the identification information set out in the relevant Voting Instruction Form will receive a voting certificate from the Information and Tabulation Agent (as agent of the Principal Paying Agent) and will be entitled to attend and vote at the Meeting.

By delivering a Voting Instruction Form to the Information and Tabulation Agent (as agent of the Principal Paying Agent), Noteholders are deemed to authorise the Information and Tabulation Agent to disclose their identity, holdings and CMU account details to the Principal Paying Agent for disclosure to KCRC and the Solicitation Agent.

By opening a Voting Account with the CMU and transferring the Notes to such Voting Account, the Notes so transferred shall then be blocked until the conclusion of the Meeting (including any adjourned Meeting).

Noteholders who deliver a Voting Instruction Form to the Information and Tabulation Agent (as agent of the Principal Paying Agent) before the Final Voting Deadline need take no further action in relation to voting on the Extraordinary Resolution at the Meeting.

2. A Noteholder must open a Voting Account with the CMU, transfer the Notes into the Voting Account and request the CMU to block the Notes and to hold the same to the order or under the control of the Principal Paying Agent not later than 2.30 p.m. (Hong Kong time) on October 10, 2007 or, in the case of an adjourned meeting, the time and date specified in the notice of such adjourned meeting, which is expected to be 2.30 p.m. (Hong Kong time) on November 8, 2007 (the **Blocking Deadline**) in order to obtain voting certificates or give voting instructions on a voting instruction form in respect of the Meeting. Notes so blocked will not be released until the earlier of:
 - (a) the conclusion of the Meeting (or, if applicable, any adjournment of such Meeting); and
 - (b) (i) either:
 - (A) if the Noteholder previously gave a Block Voting Instruction to the Information and Tabulation Agent (as agent of the Principal Paying Agent), not later than the Final Voting Deadline, the submission of instructions to the Information and Tabulation Agent (as agent of the Principal Paying Agent) quoting the Blocking Reference Number to amend or withdraw their vote and the same then being notified in writing by the Principal Paying Agent to KCRC at least 24 hours before the time appointed for holding the Meeting (or, if applicable, any adjourned such Meeting); or
 - (B) if the Noteholder previously made a Voting Certificate Request, received a voting certificate at the Meeting and such Meeting was adjourned, the surrender of the voting certificate to the Information and Tabulation Agent (as agent of the Principal Paying Agent); and
 - (ii) the delivery of instructions to the CMU to transfer the Notes out of the Voting Account by completing a form customarily used by the CMU.

For the avoidance of doubt, any voting instructions given by way of a voting instruction form may not be revoked or amended during the period starting from the Final Voting Deadline and ending at the close of such Meeting (or adjourned Meeting).

Quorum and Adjournment

The quorum required at the Meeting is two or more persons present holding voting certificates or being proxies or representatives and representing in the aggregate not less than 75 per cent. in nominal amount of the Notes for the time being outstanding. If within fifteen minutes after the time appointed for any such meeting a quorum is not present, the meeting shall stand adjourned for such period being not less than 28 days nor more than 42 days, and at such place as may be appointed by the Chairman. The quorum at such an adjourned Meeting will be two or more persons present holding voting certificates or being proxies or representatives and representing in the aggregate not less than 25 per cent. in nominal amount of the Notes for the time being outstanding.

Voting certificates issued and electronic or other voting instructions given in respect of the Meeting (unless revoked not less than 48 hours before the time appointed for any adjourned such Meeting) shall remain valid for such adjourned Meeting.

Voting

Every question submitted to the Meeting will be decided in the first instance by a show of hands and in case of equality of votes, the Chairman shall both, on a show of hands and on a poll, have a casting vote in addition to the votes or votes (if any) to which he may be entitled as a holder of a voting certificate or as a proxy or as a representative.

Unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or KCRC or by one or more persons present holding voting certificates or being proxies or representatives (whatever the nominal amount of Notes so held by them), a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

On a show of hands, every person who is present in person and produces a voting certificate or is a proxy or representative shall have one vote. On a poll, every person who is so present shall have one vote in respect of each HK\$50,000 in nominal amount of the Notes represented by the voting certificate so produced or in respect of which he is a proxy or representative.

Extraordinary Resolution

To be passed, the Extraordinary Resolution requires a majority in favour consisting of not less than 75 per cent. of the persons voting at the Meeting upon a show of hands or if a poll is duly demanded, a majority in favour consisting of not less than 75 per cent. of the votes given on such poll. If passed, the Extraordinary Resolution will be binding upon all the Noteholders, whether or not present at such Meeting and whether or not voting.

Notice of Results

Notice of the result of the voting on the Extraordinary Resolution shall be given to the Noteholders and the Principal Paying Agent by KCRC within 14 days of such result being known.

Governing Law

This notice is governed by, and shall be construed in accordance with, Hong Kong Law.
